

04.09.2006 | AirBridge Cargo participates in TIACA AIR CARGO FORUM in Canada

AirBridge Cargo, a subsidiary of Volga-Dnepr Group is taking part in the 23rd International Air Cargo Forum & Exposition in Calgary, Canada on September, 12-14, organized by The International Air Cargo Association (TIACA).

The airline will use three-day event to advise customers of its progress and to promote existing services as well as announcing its plans for new routes, including Houston and New York in 2007.

Mr Alexey Isaikin, President of Volga-Dnepr Group, will also be one of speaker's on the opening day of the conference addressing the subject of 'Market Access'. He will be joined by the Presidents of

Cargolux and United Airlines Cargo.

“The forum allows us to meet the top people in the industry under one roof, in one week. No other event is so well supported by senior executives from across the globe,” said Stan Wraith, Vice President of Volga-Dnepr Group.

Volga-Dnepr Group will be promoting the services of AirBridge Cargo and Volga-Dnepr Airlines from its prominent stand in the exhibition hall in Calgary (stand № 323).
