

AirBridgeCargo Airlines is among the winners of the Eurasian Award in Aviation Marketing

AirBridgeCargo, the major cargo carriers in Russia, has been honored for its significant contribution to the development of air cargo in the Eurasian region during the Eurasian Award. The ceremony was held on the 9th of July in Krasnoyarsk as part of Network Cargo Forum and attracted more than 400 delegates from air cargo sector.

Eurasian award was established by The Center for Strategic Development in Civil Aviation (AVIACENTER) with the aim to acknowledge airports, airlines and civil aviation enterprises of the Eurasian region through assessment of measurable criteria and quality characteristics of commercial and marketing activities of all nominees.

“It is a privilege and honor to be among the winners as this serves as a proof of our contribution to the development of the air cargo sector in Russia and Eurasian region. For the first six months of 2019 we have achieved 5% increase in tonnage to/from Russia which amounted to 50 thd tonnes on the backdrop of our successful operations in Krasnoyarsk, Yekaterinburg, and Moscow” – highlighted Vitaly Andreev, Global Director, eCommerce at AirBridgeCargo Airlines while receiving the prize from the organizers.

AirBridgeCargo Airlines has been operating at the Russian market since 2004 leveraging export, import and transit flows through major cities of Russia. The company is set to further reinforcement of air cargo sector in Russia bringing the world’s best practices and sharing its experience with industry peers and other supply chain stakeholders.
