

**You like us going the extra mile for you.**  
abc extraSAFE for vulnerable cargo

# Logistics that redefines what's possible.

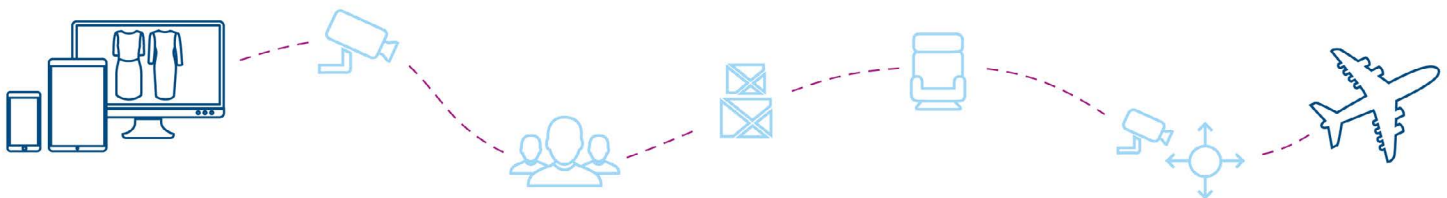

Electronic gadgets, fashion clothes, high-value telecommunications and computer equipment are everyday essentials of our life. These items are sensitive to theft and require a high level of expertise. With more than 14 years of experience, AirBridgeCargo is an expert in providing safe and reliable transportation of vulnerable cargo across its entire international network. **Always. Worldwide.**

## YOUR BENEFITS

- Priority shipment status of your vulnerable cargo
- Developed procedures increasing the safety of the cargo
- Booking and acceptance of shipments starting from one ULD
- Multi-level security control
- Monitoring from acceptance to delivery
- Dedicated storage area with 24/7 security surveillance
- Certified and trained personnel across the entire ABC network

## WE ALSO OFFER

- Highly customizable logistics solutions
- Photo control at each stage of transportation, additional video control upon request
- The possibility to transport through our cargo hub in Moscow, providing delivery within 48 hours upon request
- Smooth operations guaranteed by Control Tower (24/7)
- Full transparency at each stage of transportation coordinated by our dedicated Customer Service Team
- Possibility for cargo attendants to accompany theft endangered goods
- Reports to customers upon transportation completion

## Special attention for special cargo

We have established long-term and trustworthy relations with customers all over the world, specializing in transportation of vulnerable cargoes, aligning our internal processes, identifying their needs and requirements, and approaching them with the individualized logistics solutions.

Our **abc|extraSAFE** offers dedicated services tailored to your needs, guaranteeing constant customer service support and assistance at each stage of transportation.
